EMPLOYMENT AND OTHER BACKGROUND WORK

Hardy Holzman Pfeiffer Architects, New York, NY (1984-1989)

Project Designer

Federal Triangle Competition

Lead designer for Hardy Holzman Pfeiffer during the 7 team competition for the \$500,000,000 project to fill in the last open piece of property in the Federal Triangle in Washington, DC. The project consists of approximately 2.7 million square feet to be shared by the Department of Justice and the International Cultural Trade Commission.

Project Architect

401 Fifth Avenue

40 story, 500,000 square foot new highrise in New York City constructed adjacent and connecting to the old Tiffany Department Store (Landmark Building designed by McKim Mead and White)

Project Designer

Gurwin Educational Building @ Long Island Jewish Hospital

\$10,000,000 addition to the Long Island Jewish Hospital containing a library, 300 seat auditorium, classroom and office spaces

Project Designer

Los Angeles County Library

\$150,000,000 addition to the existing Los Angeles County Expansion Library. The existing building is a Los Angeles landmark designed in the late 20's by Bertram Goodhue.

Project Designer

Anchorage Performing Arts Center

\$52,000,000 new building complex to house three performing Arts auditoriums. Auditoriums consist of a 2500 seat hall, an 800 seat hall and a 300 community arts theatre. Other spaces include experimental theatres and public lobby spaces.
